

# Welcome To **Sakla Landscaping**

Excellence in Landscaping, Exterior  
**DESIGN, DEVELOP, MAINTAINANCE**  
Of creative Landscape Environments

# Hello!

**I'm Sager Sakla.**

**I'm passionate about to create  
Green India.**

**I'm Pioneer of making Dense  
forest & Rose Garden in  
Maharashtra .**

# Introduction

**Establishment of Sakla Group is at 1983 in the pursuit of quality and excellence. One of the pioneer in nursery business related activities and having 1500 named roses varieties. Four units spread across 33 acres of land. Biggest nursery in Marathwada region.**

# Uniqueness

1. **We have proper organization structure for design landscaping or maintenance work.**
2. **We have special R&D setup where we take trials of different Fertilizers, insecticides and pesticides.**
3. **Company follows all safety & statutory compliances.**
4. **We give priority for customer satisfaction.**

# Why Sakla Group?

1. We did site Survey, Soil Testing, Water testing, Study of temperature & Humidity before starting landscaping work.
2. Also check availability of Sunlight for plant selections.
3. Drawing from experts.
4. Use of organic manure
5. Use of major elements (NPK)
6. Use of macro elements and micro nutrients
7. Use of insecticides, fungicide & Weedicides.

# Mission

1. **Create the globe green, beautiful and wealthy with vegetation and floral touch.**
2. **To create International Rose garden which will have maximum rose varieties from the world's rose collections.**

# Our Strength

1. Expert & trained team for working
2. We provide services for 24 × 7.
3. Special training to employee
4. Prevention taken for plants and application
5. Proper knowledge of diseases & insects
6. Strongly back-office support
